DECLARATION FOR PATENT APPLICATION

We, David B. Hollenbeck and Phil Yastrow, each hereby declare:

I, David B. Hollenbeck, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is 315 Trailwood Drive, Windsor, CO 80550.

I, Phil Yastrow, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is 6080 Trevino Court, Fort Collins, CO 80528.

We believe that the named inventors:

- David B. Hollenbeck, a citizen of the United States of America and whose residence and mailing address is 315 Trailwood Drive, Windsor, CO 80550;
- Phil Yastrow, a citizen of the United States of America and whose residence and mailing address is 6080 Trevino Court, Fort Collins, CO 80528;

are the original, first, and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled "System For Presenting Consumer Data" and:

- as originally entitled "System For Acquiring and Presenting Consumer Data" the specification of which was filed as United States Application Number 60/243,116 filed on October 25, 2000;

of which we hereby claim the benefit of and priority under pursuant to 35 USC 119, 120, or 365.

We hereby declare that the above specification is intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. We also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate.

We hereby state that we have reviewed and understand the contents of the specification entitled "System For Presenting Consumer Data," including any claims.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

**STATEMENT ESTABLISHING SMALL ENTITY STATUS
(SMALL BUSINESS CONCERN)**

I, David B. Hollenbeck, President of eDave, Inc., pursuant to 37 C.F.R. Section 1.27(c) state that the following facts are true:

1. I am president of eDave, Inc. As such I am empowered to act on behalf of the Assignee.
2. As set forth in 13 C.F.R. Section 121.802, eDave, Inc. is an entity whose number of employees, including those of its affiliates, does not exceed 500 persons and which has not assigned, granted, conveyed, or licensed, and is under no obligation under contract or law to assign, grant, convey or license, any rights in the subject matter of the enclosed Patent Application to another entity that does not qualify under small entity status, other than end-user licenses of software. In accordance with MPEP 509.02, the small entity rules appear not to apply to end-user licenses of software. Accordingly, eDave, Inc. appears to qualify as a small business concern as defined in 37 C.F.R. Section 1.9(d).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated this 25 day of October, 2001.
